Re: Docket No. 2013-201-W/S
Request for Hearing in York County, SC

Members of the Commission:

The following resident homeowners of the Shandon Subdivision, of York County, South Carolina, are directly affected by the Petition of Utilities Services of South Carolina, Inc., for an increase of its rates for water and sewer services, Docket No. 2013-201-W/S. A neighborhood hearing for York County residents, with its convenience of closer proximity and evening scheduling, would allow a greater number of affected consumers an opportunity to attend, give testimony, present evidence, and otherwise participate in the hearing process before The Public Service Commission concerning this important matter. Therefore, on behalf of Shandon and other York County affected residents, we respectfully request that The Public Service Commission hold a neighborhood hearing in this matter at a York County location, on a date and evening time, as The Commission may be able to schedule.
